

SAD #42 TITLE 1 COFFEE TALK

Elaine Boulier

July 21, 2025

- The Fort Street School Title 1 team is looking for parents to join the team. We meet via email, Google Docs, ZOOM and/or in person. Some of the team's responsibilities include reviewing/revising the Parent Involvement Policy, the Parent/School Compact, Fort Street School's Comprehensive Needs Assessment and planning parent activities. If you are interested in participating in the team's activities or have any questions, please contact Title 1 Coordinator, Elaine Boulier, at eboulier@sad42.us. You may also call the Superintendent's Office at 425-3771 and leave a message for Elaine.
- As required by the U.S. Department of Education and Every Student Succeeds Act (ESSA), an ESEA report card (ESEA Dashboard) is generated by the Maine Department of Education annually for each school and district, as well as the state. The purpose of the federal law is to ensure transparency of school performance to families and community members. All ESEA report cards are now housed within the ESEA Dashboard.
- Currently, data from the 2023-24 school year is included within the ESEA Dashboard. The ESEA Dashboard can be accessed through the school website (www.msad42.org) under the district tab. In addition, information can be accessed through the Dashboard's direct web address:

<https://www.maine.gov/doe/dashboard>

- The 2024-25 ESEA draft application has been completed and is available for public comment. The application can be viewed at the Superintendent's office from July 22-29 between the hours of 8-3. A separate sheet is available for comments.
- As always, if you have any questions/concerns/suggestions, please stop by the office.

Elaine
