

PANTHER P.A.W.S NEWS

PRACTICE RESPECT, ACCEPT RESPONSIBILITY, WORK HARD, STAY SAFE

This Year's Theme:

Math Update

At Fort Street School, we are working hard at utilizing various data points to inform our instruction and methodology. As a result, we have made a few changes to the math curriculum at Fort Street. In grades 4 through grade 6, teachers will be utilizing Engage New York (Eureka) math resources with their students. In addition, students in grade 5 will have their regular math class, plus additional math instruction during RTI time. We are hoping these changes will produce positive academic growth for students!

Week of November 26 in Review

PANTHER P.A.W.S NEWS
