Dear Parents,

This letter is to update you on the status of COVID-19 in our district. Since the letter dated January 14th, the majority of staff and students have or will be completing their quarantine and/or isolation periods this week. In addition, we have had no further positive student/staff COVID-19 cases this week. As a result, we **will return to in-person instruction beginning Monday, January 25th.**

Please be aware that while the cases of COVID-19 have somewhat stabilized, there are still positive cases in the community. Please continue to be vigilant with your child(ren)'s health and monitor their temperature daily. If your child(ren) start developing any symptoms of COVID-19, please keep your child home, contact your primary care physician directly, and keep the school nurse informed.

Lastly, **the late start day scheduled for Monday, January 25th, is cancelled. Classes for students PK-12 will begin at 8:00.**

Thank you for your continued support and understanding as we navigate through this pandemic. Questions for the school can be directed to myself by calling 425-3771 or to the respective building principal.

Sincerely,

Elaine Boulier, C.A.S.
