September 15, 2021

Dear Parents,

I am writing to inform you that we have had additional positive cases at the junior/senior high level resulting in a large number of students having to quarantine. **As a result of this development, the junior and senior high students will be doing remote learning tomorrow, September 16, 2021. Students in grades PK-6 will still be coming to school for in-person learning.**

Junior/senior high teachers will be in the building and will be utilizing google classroom to post assignments and relevant materials and will be available on google meets to answer any questions that students have. Junior/senior high students are expected to follow their regular schedule of classes for tomorrow.

For those of you who would like to have school lunch delivered to your junior/senior high child(ren), please call Wendy tomorrow morning at 425-2811 between 7:45-8:30 am. Buses will begin delivering lunches after the PK and Kindergarten bus run at approximately 11:45 am.

School will be dismissed at its regular time for Fort Street students; buses may be dropping off students a bit earlier than usual due to not having the junior/senior high students on their buses.

These continue to be challenging times for all of us. Thank you for your continued support as we do our best to keep students and staff safe.

Sincerely,

Elaine Boulier, C.A.S.
Superintendent of Schools
