December 30, 2021

Dear Parents,

I hope you all had a wonderful Christmas with family. I am writing to inform you that all grades PK-12 will return to in-person instruction on Monday, January 3, 2022. While there are still active cases in the community, the active cases in the schools have declined over Christmas break.

There are changes coming to the standard operating procedure that schools are required to follow. These changes will take effect in January 2022. I will send out an informational letter when we return to school articulating what those changes are.

Student growth and learning is our top priority. Our focus continues to be to meet the health, safety, and educational needs of our students as we continue to educate them in this pandemic. Please be vigilant with your child's health and keep them home if they are ill. If your child has contracted COVID over Christmas break or is considered a close contact, please email Poppy York, District Nurse, as soon as possible to communicate pertinent information. Her email address is pyork2sad42.us

As always, thank you for your continued support during these challenging times. If you have any questions or concerns, please feel free to contact me.

Sincerely,

Elaine Boulier, C. A. S.
Superintendent of Schools
